

**Ontario Association of Archers
Tournament Date Template**

The template below must be used to submit all dates to the OAA. Dates that do not fit into this template will be rejected.

If participation on all days of a multi-day event is required, enter it on one line; otherwise it can be entered on multiple lines.

The deadline to have dates to your zone director is October 1st. Dates submitted after this date must not conflict with a date submitted by the deadline.

All dates will be published to the OAA website the week of October 18th.

No new dates will be accepted for the directory after October 18th.

Changes will be accepted for the directory until November 18th (webmaster@oaa-archery.on.ca). A confirmation will be returned.

New dates and changes will be reflected on the website all year round.
